

ARCBB202C

The Eton ARCBB202C *Blackout Buddy Color* is a multifunctional device. It is motion activated night light that has an ambient light detector. You may adjust the color for a clean white counter top, calming blue bedroom or cool mint bathroom. The controls are simple. Set the slide switch to DARK and the device will automatically come on when it is dark. Set it to AUTO for motion activation.

This is a great function if you have the *Buddy* set in a bathroom or a hall way. The *Buddy* is also a great item during power outages as it instantly becomes a long lasting LED emergency flashlight. Just unplug it from the wall, fold in the prongs, and you are out of the dark.
