The Sangean PR-D5 is a top quality AM, FM, stereo radio with twin speakers. It has a 200 mm ferrite AM antenna for the best possible AM reception. The controls are very easy to use and you get 5 presets for AM and 5 for FM. It includes RDS technology to display station name, call sign, song title or other transmitted information, plus it can set the clock automatically. There is a stereo mono switch, AM 9/10 kHz step switch and built-in LCD. Rotary knobs are provided for tuning and volume. There is a built in clock timer with sleep function and humane wake up system to buzzer or radio. The left side of the radio has an auxiliary input and a stereo earphone jack. This radio includes an AC adapter and can also be operated from six C batteries (not included). 10.5 x 5.5 x 2.5 inches. One year limited manufacturer’s warranty. This radio has an oversized AM antenna plus good selectivity and sensitivity. It is a strong choice for the MW DXer or anyone who listens to distant AM and FM stations.

PR-D5 White Order #0068 $74.95
PR-D5 Black Order #5756 $74.95

The Sangean PR-D14 is a compact portable AM/ FM-RDS (Radio Data System) Digital Radio with USB port for playing MP3/WMA files from a USB drive. All controls are conveniently located and you can see the frequency and the clock on the display. It also features a tone control (talk and music) for more powerful overall sound. The PR-D14 has excellent sensitivity and selectivity and will surprise you at its ability to pull in the distant stations. Five presets are available on each band and the auto seek will automatically seek the active stations across the entire band rather than to the next frequency. The radio can be set to automatically turn off after 120, 90, 60, 45, 30 or 15 minutes, so you can fall asleep to the sound of music, talk or news. The humane wake-up alarm allows you to rise to music, buzzer or media (USB). You can power the PR-D14 with the included AC adapter or four “D” cells (not included). The 3 inch, full range speaker provides great sound. There are jacks for: auxiliary input, head-phones and DC input. 9.4 x 5.9 x 2.5”.
